## "Quality and Value in a Plywood Box Construction"

These are the materials used in Sunco's all wood cabinet lines. We use the same materials that are commonly utilized in most custom cabinetry manufacturers' high-end products, yet at a fraction of the cost. **Great value and quality at any price.**

**Solid Wood and Wood Veneer Door Construction with Durable Finish**  
Elegant stain finishing process results in a durable, consistent and attractive cabinet. Durable metal hinges. Long lasting beauty for years to come.

**4-Sided Drawer Box System**  
3/4" drawer fronts are pre-attached to a 4-sided drawer box fastened together using screw construction ensuring strength and durability. Smooth, epoxy coated metal drawer glide system ensure for quiet and easy operation.

**Plywood Cabinet Box Construction**  
1/2" furniture grade plywood cabinet box construction. Cabinet side panels, toe-kick and all wood hang-rails. 5/8" finished plywood adjustable shelves. Full plywood cabinet back and floor panel.

**Solid Wood Cabinet Face-Frame**  
3/4" solid wood face frame construction, which ensures long life for years to come.
