

Public Tender Notice

No. 2 of 2018

The Government of the Virgin Islands (British) invites tenders for:

Reconstruction of Road, Slope Stabilisation and Drainage works at Windy Hill, Tortola, British Virgin Islands:

The Government of the Virgin Islands (GOVI) has received financing from the Caribbean Development Bank (CDB) towards the cost of Reconstruction of Road and Slope Stabilisation at Windy Hill, Tortola, British Virgin Islands and intends to apply a portion of the proceeds to eligible payments under a contract for which this invitation is issued.

SCOPE OF WORKS

The proposed scope of works at Windy Hill involves reinforced concrete retaining wall construction, reinforced concrete road pavement construction and reinforced drain construction.

The works will also include furnishing all plant, labour, equipment and materials and performing all operations in connection with the Reconstruction of Road, Slope Stabilisation and Drainage works at Windy Hill, Tortola, Tortola, British Virgin Islands in accordance with the tender and construction issue drawings and specifications.

INSTRUCTIONS TO TENDERERS

Tenderers are required to furnish the following:

- a) Certificates of Good Standing in respect of Social Security and all Taxes including Payroll Taxes and Property Taxes from:
 - (i) The Director of the Social Security Board; and
 - (ii) The Commissioner of Inland Revenue
- b) Trade License (valid for 2018) (if Partnership or Sole Proprietorship)
- c) Certificates of Good Standing from Commercial Registry (if company is a registered agent).
- d) National Health Insurance

Note: The date of issue indicated on the above mentioned certificates should be no earlier than one month prior to the date of submission.

- e) Tenderers are to supply other documentation as listed in the Tender Document, Instructions to Tenderers.

Tenderers will be required to provide a Tender Security from a Bank or Insurance Company for a sum equivalent of 1% of the Contract Sum.

Failure on the part of tenderers to enclose the supporting documentation as indicated above with

each respective tender will render the tender non-responsive on the date of the opening of tenders.

TENDERERS MINIMUM REQUIREMENTS

- A. All pending litigation shall in total not represent more than **TWENTY PERCENT (20%)** of the Bidder's networth and shall be treated as resolved against the Bidder.
- B. Minimum average annual turnover of **\$800,000.00**, calculated as total certified payments received for contracts in progress or completed within the last **Three (3) years**.
- C. The Bidder must demonstrate access to, or availability of, financial resources such as liquid assets, lines of credit, and other financial means other than any contractual advance payments to meet:
 - i. The following cash-flow requirement: **THREE MONTHS ESTIMATED AT \$250,000.00** and
 - ii. The overall cash flow requirements for this contract and its current commitments.
- D. Experience under contracts in the role of contractor, subcontractor or management contractor for at least the last **THREE (3) years** prior to the applications submission deadline, and with activity in at least **NINE (9) months** each year.
- E. Participation as contractor, management contractor, or subcontractor in at least **ONE (1) contract** within the last **THREE (3) years**, each with a value of at least **\$800,000.00**, that have been successfully and substantially completed and that are similar to the proposed works. The similarity shall be based on the physical size, complexity, methods/technology or other characteristics as described in Section VI, Employer's Requirements.
- F. For the above and other contracts executed during the period stipulated in D above, a minimum experience in the following key activities:
 - a. Reinforced Concrete Retaining Walls
 - b. Concrete Road Pavement
