# The Tamarind Club is

## FOR SALE!

'The Suits' have already tried advertising this place in a very formal way. But here's what we really think! With 9 bedrooms, a large swimming pool, bar and restaurant, nestled on approx. 2.59 acres of flat land just a few moments from the BVI's most popular surfing beach, Josiah's Bay, 'The Tamarind Club' is simply crying out to be re developed as a hip hotel for surfers!

This place could be just..um..

# SWELL!

It's a snip at a reduced asking price of \$700k!
