

BRITISH VIRGIN ISLANDS PORTS AUTHORITY

REQUEST FOR PROPOSALS

REHABILITATION OF THE INTERNATIONAL DOCK AT ROAD TOWN JETTY

The British Virgin Islands Ports Authority invites qualified companies/firms for:

Rehabilitation of the International Dock at Road Town Jetty (Ferry Terminal), Tortola, British Virgin Islands.

SCOPE OF WORKS

The Works consist of:

- (1) Remove existing precast concrete slabs.
- (2) Remove, demolish, and legally dispose of the existing precast slabs and replace the spalled precast slabs with new precast slabs.
- (3) Re-seat the new precast slabs and re-seal all joints to provide an even surface fit for use by the general public. This should include the replacement of all blow-out hole covers.
- (4) The beams and pile caps supporting the precast concrete slabs are also spalled and have suffered from impact damage in a few locations. In addition to the works described above regarding the precast concrete slabs, steps should be taken to repair the spalling of the beams and pile caps.
- (5) Replace all bollards and fenders with new bollards and fenders of sufficient strength and anchorage to support the intended vessel size and berthing forces of the ferry dock. Steps should be taken to repair any spalling to the sides of the dock. Consult with the Ports Authority for ferry dock operational loads spec.

The works will also include furnishing all plant, labour, equipment and materials and performing all operations in connection with the Rehabilitation of the International Dock at Road Town Jetty (Ferry Terminal), Tortola, British Virgin Islands in accordance with the Request for Proposal.

INSTRUCTIONS FOR PROPOSALS

Companies are required to furnish originals of the following:

- a) Certificates of Good Standing in respect of Social Security and all Taxes including Payroll Taxes, National Health Insurance and Property Taxes from:
 - (i) The Director of the Social Security Board;
 - (ii) The National Health Insurance Department; and
 - (ii) The Commissioner of Inland Revenue.
- b) Trade License (valid for 2020) (if Partnership or Sole Proprietorship);
- c) Certificate of Good Standing from the Registry of Corporate Affairs;
- d) Copy of Memorandum and Articles of Incorporation;

Note: The date of issue indicated on the above-mentioned certificates should be no earlier than one month prior to the date of submission.

- e) Perspective companies are also to supply the following:

Tender Security/Security Bond from a Bank or Insurance Company for a sum equivalent to one percent (1%) of the Contract Sum.

Failure on the part of companies/firms to enclose the supporting documentation as indicated above with their submittal will render the submittal non-responsive upon receipt.

MINIMUM REQUIREMENTS

1. Companies should provide proof of ownership or access to equipment necessary for the removal/placement of precast slabs. This should be done in a manner which is non-hazardous to the environment and surrounding structures.
2. Tenderers must conduct works in a manner which will not impede the operations of the terminal.
3. Tenderers must conduct the works with proper safety measures in place for the marine operations as well as the pedestrian traffic in the area.

4. Tenderers shall include the production of as-built drawings of the works to the BVIPA at the completion of the project.
